

Precisely Target HCPs on Social Media — 100% NPI-Level. 20+ Channels. One Platform.

Equals 5 is the first and only platform with 100% deterministic, physician-level targeting on social media. Built on the insight that **Doctors Are People Too**, EQ5 reaches HCPs in their personal, consumer moments — on Facebook, Instagram, LinkedIn, TikTok, and 20+ channels — with the same NPI-level precision previously only available in endemic settings.
